## Director's News

Thank you to all of our families who were able to come out and join us at our art show, and a big *thank you* to those families who baked or prepared snacks for all of us, as well as those of you who helped us clean up at the end of the night. I think it was a great success in many ways, most importantly that the kids felt proud of the beautiful artwork they created.

It's still technically spring but it's time to get the wheels rolling on Pumpkin Patch planning. I would love to get a Donation Chair before the end of the summer, as some of the work can begin over the summer— is anybody interested in helping us with this job? This is easily the biggest & most organizational job of the event & I could really use someone's help! The date of the Pumpkin Patch will be October 13<sup>th</sup>, 2018 and it may be held in a new surprise location!

It has been a wonderful year for us at IVNS and I truly want to thank all of you for sharing your child with us and allowing us to be a part of your child's life. I feel blessed to have had such a great group of families to work with, and I treasure all of the laughs, love, and growth that I've received from your kids over the past 10 months. Next year we'll grow even more together, and I'm always excited about the future of IVNS. I'm looking forward to a GREAT summer, and I hope to see you all out there playing in the sunshine!

If your child will not be attending school on Thursday or Friday, please let us know so that we can ensure your child brings everything home with him/her on their last day of attendance. Aside from the portfolio we'll be sending home their Star of the Week poster, their notebook journal, and other miscellaneous items & artwork.
